

Westchester Human Resource Management Association Graduate Business Program Opportunities

Flexible MBA

Iona's MBA program is very accommodating of working professionals. The program is 36 credits (12 courses), and can be completed in as fast as 12 months or at your own pace. Courses are offered in-person/on campus (weeknight classes), online asynchronous, and hybrid formats, affording students the flexibility to balance work, family, and personal commitments while staying on track towards degree completion.

The MBA Program consists of a flexible core, which adapts to students with or without a business degree (no prerequisites required). Iona's student-first approach allows students with various academic and experience backgrounds to benefit from elevating their business skill-set and knowledge.

Accounting

Why Earn Your MBA degree at Iona?

Elevate your Human Resource Management knowledge and skill set

Iona University's MBA with a Human Resource Management concentration prepares you to move into a Human Resource leadership position by advancing your management skills and business knowledge. Learn how to lead the development of great people and culture in a dynamic workplace environment.

A specialized MBA degree will demonstrate to employers a desire to support an organization's goals through strategic human resource management and enhanced employee relations skills, as well as a commitment to life-long learning. Learning organizational concepts such as business strategy, finance, data analytics, and compliance will help you succeed as a Human Resource Professional.

Join a Network of Successful MBA Alumni

Alumni of the Iona MBA program have obtained prestigious positions in a variety of industries at world-renowned companies. Students in the MBA program have the option to be matched with a dedicated alumni mentor whose professional experience assists in career development and navigating market demands. MBA alumni mentors support personal and career goal setting, serving as a terrific resource for success and more.

Caring Culture

Iona University has a caring culture providing personalized advising and supportive student services to help foster students' success. Our accomplished and highly experienced faculty provide a student-centric approach to ensure that students are maximizing their coursework, and obtaining the knowledge and skills they need to succeed in today's marketplace.
